FLY-IN ADVENTURES

A bush plane ride to a remote Quetico entry point will really add some excitement to your next canoe trip. You'll discover the breathtaking beauty of canoe country as you soar over the lakes you'll soon be paddling. You can explore your way back to our base...experiencing the solitude in the heart of the Park without the initial effort of getting there. Or, you can plan to stay on some of the remote lakes in Quetico and have the plane come back to pick you up. *The following rates are estimated on flying in a Beaver aircraft with one external load—canoe(s) on the floats and 4 people. Prices are per person, one way. Please call for a detailed quote*

Mack (Clay Lake)	\$358	per person, one way
Beaverhouse Lake	\$328	per person, one way
Nym Lake	\$400	per person, one way
Lac la Croix	\$323	per person, one way

All transportation fees are subject to fuel surcharges. Transportation fees were accurate at time of printing, but are subject to change without notice.
